OUR COMMITMENT

The Global Education Alliance is committed to supporting the education community because we believe it is the right thing to do. We believe we have a responsibility to present students around the world a chance to learn in technology-friendly classrooms and on environmentally-friendly campuses.

The Education Alliance is a global program designed to build a community amongst education leaders and industry experts from around the world. The program is designed to give education institutions, world-wide education institutions, world-wide

The AMX Innovation Awards at UBTech recognizes individuals and institutions changing higher education around the world. The University Business Leadership Institute established The AMX Innovation Awards in January 2011 as an exclusive awards program designed to recognize innovative higher education accomplishments and practices. The awards program is sponsored by AMX and the Global Education Alliance.

Once your membership has been approved and you have successfully logged in, you will have the ability to **EARN POINTS** and **REDEEM POINTS**.
